and Animal Welfare**

SULAWE **at a Glance**

2023-2025

Curriculum Development & Teaching

Three Teaching Modules

 **190**

Students enrolled
since September 2024

Four Ukrainian Higher Education Institutions

NUBiP

PSAU

LNUVMB

V. DAHL UENU

Student Mobility & Learning Formats

12 open lectures

16 physical student
mobilities
across the HEIs

14-days
SULawe summer school
with 69 participants

Didactic Innovation & Knowledge Sharing

✔ **Multimedia training materials didactic resources**

remain accessible beyond the project's end and foster an innovative, interactive learning environment, encouraging active participation, independent learning, critical thinking and deeper subject understanding.

📄 **Report on new concepts for practical education and student mobility**

developed collaboratively by **HEIs**, associations, and EU partners serves a solid basis for developing innovative educational strategies, enhancing international collaboration, and sharing best practices in teaching and learning.

Capacity Building & Staff Training

6 study trips at UL, SLU, and NGU:

- ✓ 3 to support capacity building in Ukraine, the delivery of teacher training activities focused on module
- ✓ 3 on LLL course development.

84 staff members trained

✓ RISE software licences were procured and installed;

- ✓ 2 training rounds conducted, preparing 8 Ukrainian participants for effective RISE use

Excellence Centres for Lifelong Learning (LLL)

4 Excellence Centres for LLL
at the four Ukrainian HEIs –
4 LLL strategies

✓ **8 LLL** courses developed and piloted
+ additional events and webinars

8 LLL courses developed and piloted
+ additional events and webinars

345 participants trained

LLL Centres provide ongoing programmes for practitioners, helping them adapt livestock production to EU regulations, address future farm challenges, and implement EU-aligned practices.

Stakeholder Dialogue & Policy Support

4 conferences

- Sustainable **Cattle Breeding and Milk Production** (23 Nov 2023)
- Sustainable **Poultry Production** (17 Oct 2024)
- Sustainable **Pig Production** (27 Mar 2025)
- Sustainable **Livestock Production and Animal Welfare** (2 Oct 2025)

to fostered the dialogue between **policy, practice, education** and research.

Policy recommendations were developed in close collaboration with HEIs, Ukrainian Associations of Milk and Pig Producers, and EU partners and published online.

- 🐾 Active contribution to implementing new **Animal Welfare** legislation in Ukraine
- ⚙️ Participation in EU round tables and contribution to a Strategic Roadmap 2025–2027

Impact & Outreach

SULAWE strengthens the implementation of Ukraine's new Animal Welfare legislation by providing EU-aligned education, lifelong learning, and policy support. Through its LLL centres, modernised teaching modules, and policy-oriented outputs, the project equips stakeholders with and knowledge required to advance animal welfare skills standards and supports a sustainable roadmap linking education, research, practice, and policy.
